

## Chapter 5 (1 - 5)

By faith and through Jesus  
we can live in the friendship of God.

We look forward to heaven  
and an end to all suffering.

In the meantime our suffering teaches us patience.  
Patience produces perseverance.

Perseverance produces hope.

This hope is not imaginary. It's real, since the love  
of God has been poured into our hearts by the  
Holy Spirit who has been given to us.

Jesus, through your Holy Spirit,  
please give me more hope

## Chapter 5 (12 - 21)

Through one man, Adam, the virus of sin entered  
the world, and sin infected everyone with death

Through one man, Jesus, the divine anti-virus of  
grace entered the world, and brought the gift of  
eternal life to everyone who allows it to be  
installed in their heart

The divine anti-virus of grace  
is more powerful than any sin virus

Jesus, please download and install in my heart  
your anti-virus program of grace
