

Chapter 5 (1 - 5)

By faith and through Jesus
we can live in the friendship of God.

We look forward to heaven
and an end to all suffering.

In the meantime our suffering teaches us patience.
Patience produces perseverance.

Perseverance produces hope.

This hope is not imaginary. It's real, since the love
of God has been poured into our hearts by the
Holy Spirit who has been given to us.

Jesus, through your Holy Spirit,
please give me more hope

Chapter 5 (12 - 21)

Through one man, Adam, the virus of sin entered
the world, and sin infected everyone with death

Through one man, Jesus, the divine anti-virus of
grace entered the world, and brought the gift of
eternal life to everyone who allows it to be
installed in their heart

The divine anti-virus of grace
is more powerful than any sin virus

Jesus, please download and install in my heart
your anti-virus program of grace
