

Chapter 13 (1 - 13)

Soon I will be with you for a third time.
What I ask is that you live the way
God wants you to live.
So, grow in your Christian life.
Help one another. Be united.
Live in peace,
and the God of love and peace will be with you.

The grace of the Lord Jesus Christ,
the love of God the Father,
and the friendship of the Holy Spirit
be with you all

Father, Son and Holy Spirit,
help me live the way you want me to live
