

Psalm 19 (sun + law = the "sun-in-law" psalm)

The heavens proclaim the glory of God,
the starry skies are the work of his hands.

The stars can't speak, but they are God's handwriting.
The sun is God's love *shining* on the whole world.

The universe is a masterpiece,
and so is God's law which *shines* in our hearts.

The precepts of the Lord *enlighten* our lives each day.
The law of the Lord gives joy and wisdom to our hearts.

The decrees of the Lord are to be desired more than gold,
they are sweeter than honey, than honey from the comb.

But often we are unaware of our errors.
Lord, please protect us from making mistakes.

Lord, may the words of my mouth
and the thoughts of my heart be pleasing to you

Psalms 20, 21

May the Lord protect and help you,
may he give you your heart's desire
and fulfil every one of your plans.

Some trust in chariots or horses, but we trust in the Lord.

Lord, may our plans and hopes be acceptable to you.
Please bless our plans
