

Come and consider the works of the Lord  
and always remember his words:

"Be still and know that I am God."

Lord, help us to be more aware of your presence,  
especially when we are in trouble

### **Psalms 47, 48**

All peoples, clap your hands, cry to God with shouts of joy.  
For the Lord, our Creator, we must love and honor,  
great king over all the earth.

Especially in his holy city is the Lord worthy to be praised.  
Praise is fitting on Mount Sion, our earth's most sacred site.

O God, as we pray in your temple,  
our hearts meditate on your love.

May peoples and rulers everywhere  
acknowledge and love you as Creator of the Universe.

Let all the peoples praise you, Lord.

Let all the peoples praise you

### **Psalms 49, 50**

I will turn my mind to a parable,  
with the harp I will solve a problem.

The problem: why do bad people prosper and succeed?

The answer: at the end of their lives bad people will have  
to face death and judgement, just like everyone else.

When we are rich, we often lack wisdom.

Wealth blinds our minds and hearts.

Let's not forgot God and his laws.

Let's try to be good and lead good lives.

Lord, please help me understand the meaning of life
