

Give thanks to the Lord, all his angels,  
who heed the voice of his word.

Give thanks to the Lord, everyone and everything.  
My soul, give thanks to the Lord!

Thank you, Lord, for your love and compassion

### Psalm 104

Bless the Lord, my soul! Lord God, how great you are.

You make the clouds your chariot.

You walk on the wings of the wind.

You make springs gush forth in the valleys.

They give drink to all the animals of the field.

You make grass grow for the cattle  
and plants to provide food for people.

You give us wine, to cheer our hearts  
and oil to make our faces shine.

You made the moon to mark the months.

The sun knows the time for its setting.

How many are your works, O Lord.

In wisdom you have made them all.

The earth is full of your riches  
and the sea is swarming with life.

All things, great and small, look to you for food.

You open your hand, they have their fill.

You send forth your spirit, and life is created.

You renew the face of the earth.

I will sing to the Lord all my life.

May my thoughts be pleasing to him.

Bless the Lord, my soul!
