

Many people who receive a copy of the Bible
lose interest in reading it after a short while
Many things in the Bible are difficult for first readers

And this is why the idea of a Simple Bible came about:
something for first readers that would be easy to read

Hopefully after reading the Simple Bible,
people will be more interested
and better prepared to read the whole Bible

After each chapter of the Simple Bible,
there is a little prayer, to link the chapter to ordinary life

Recommended: one piece a day. Read it in the morning,
think about it during the day, read it again at night

Prayer before reading: **Holy Spirit of God,**
please help me understand what I'm about to read
